# About Cleveland

## Maidan Association

Since 2014, Cleveland Maidan Association has worked tirelessly to bring aid, awareness, and advocacy to Ukraine. The organization began in response to the violence that arose following the 2014 Maidan Revolution, and has grown immensely since the 2022 full-scale invasion of Ukraine.

With the help of volunteers, Cleveland Maidan Association has shipped medical, humanitarian, financial, and military aid to Ukraine, and continues to do so to date.

# | Our Financials

	<b>2023</b>
Donations	\$494,694

# Frontline Medical Partnership

In 2023, Cleveland Maidan Association acquired a partnership with Frontline Medical to collaboratively sponsor an upcoming medic training program in Ukraine.

70%

of amputations on Ukraine's front lines can be avoided with increased medic training

The program will utilize 2.1 million US dollars to train 27,000 medics annually in 2025 and 2025, equipment 32 classrooms for sustainable training practice.

Below, Frontline Medical's Brg. General Mark Arnold

So far, **\$1,484,000** has been raised for the project, and plans to launch in 2024 are in the works.
